

# Positive Thought Solutions, LLC

Positive Thought Solutions, LLC is a company that provides motivational speaking services, in addition to personal and professional development seminars. All of our training seminars and speaking engagements will use positive thinking as a foundation to reinforce the topics discussed. We pride ourselves in connecting with our clients and providing the best experience possible.

Some clients who have trusted Positive Thought Solutions, LLC to execute their programs, include Oakland Community College, the National Society for Black Engineers, the Society of Women Engineers, the Society of Hispanic Engineers, the Corporate Counsel for Men of Color, Phi Beta Sigma Fraternity, Inc., the Jack and Jill of America Foundation, among others. Call or email us today and let us know what your needs are. We will put together a plan to help you achieve your goals, and help bring out the best in everyone who attends the program!

## Areas we can bring value to your organization

Motivational speaking seminars including keynote engagements on a variety of topics:

- Overcoming Fear and Failure
- Success
- Positive Thinking
